Many of your clients want a tenant they never have to worry about. Ilios Homes takes private homes on leases held in a company's name and makes them available to companies and professionals. For you, this means a quick negotiation, straight answers and a client who stays happy for years.

Why work with us

- ✓ Standard agency commission honoured and paid on time, with no quibbling.
- ✓ A reply within 24 hours.
- ✓ Lease signed within 48 hours of receiving the documents.
- ✓ A single point of contact throughout the negotiation.
- ✓ A team that has been managing homes since 2011.

The clients we suit best

Owners who have lived through the uncertainties of a standard Italian 4+4 lease: unpaid rent, damage, months to get the home back.

Owners who want to get out of short-term letting and its costs.

Owners who live far away or abroad and cannot look after the home.

Heirs who do not intend to manage the home themselves.

Owners of a newly renovated home who want to entrust it to someone who will look after it.

Owners of several flats who are looking for a single point of contact.

How it works

1. You put the home forward using the form or by email.
2. We reply within 24 hours.
3. We visit the home with you.
4. We send a written proposal for your client.
5. We sign the lease within 48 hours of receiving the documents.
6. We pay you the standard agency commission.
